## Frequently Asked Questions...

▪ **HealthView Vision Care Plan is free to employees? There's no charge at all?** There is no cost to the employee or employer for the HealthView Vision Care Plan, it is underwritten by the participating providers.

### ▪ What is my discount and what does it cover?

Your HealthView Vision Care Plan Card can be used through our provider network for:

- **10% discount on dress eyewear and sunwear frames and lenses**  
(Sale items, safety eyewear, special value packages and select brands are excluded.)
- **10% discount on prescription and non-prescription sunglasses**
- **10% discount on Lasik Procedures through TLC Vision Advantage Program.**

▪ **Is there a warranty on my eyewear?** Yes. Your frame, lenses and anti-reflective choices all offer warranties, with a minimum of 1 year. Some options offer longer warranties. Contact lens warranty/guarantees are subject to the manufacturer. Please ask the staff when making your choices.

▪ **Does this replace what vision plan we have now?** HealthView Vision Care Plan is offered to you at 'No Cost', and it gives you the ability to save on qualified vision care purchases. YOU CAN USE your HealthView Vision Care Plan with FLEX PROGRAMS or VISION PLANS that require you, the participant, to file paperwork for reimbursement. Individual items or purchases that are covered by other insurance or vision care plans *accepted by the clinic* are not eligible for further discounts by the HealthView Vision Care Plan. ADDITIONAL ITEMS purchased at anytime are eligible for HealthView Vision Care Plan Discount. If you have a question on the use of your card, you are encouraged to call the participating provider in your area for clarification.

▪ **How does the card work?** It's important employees and dependent family members show their HVVCP card at the time of the appointment, so the provider is aware of your membership in the plan.

▪ **Can I use this program for my glasses and contacts?** HealthView Vision Care Plan discount is good on any dress eyewear or sunwear, frames and lenses. It's also good on non disposable contact lenses, excluding disposable contacts which are already pre-priced at a discount.

▪ **Can I use the card more than once?** There is no limit on the number of times you or a family member can use the discount card. If you wish to purchase sunglasses, eyeglasses, and contacts, you will receive the discount on all three, and so will your dependent family member.

▪ **What if I lose my card, or it goes through the wash?** Replacement cards are available through the Payroll/Benefits Administrator of your employer.

*The HealthView Vision Care Plan Discount is designed to cover the items stated above not paid for by your current insurance. Not valid on previous purchases or purchase of gift certificates or with any other coupons or discounts; not redeemable for optical credit or cash.*
